## Anthony Maan & Michael Patterson (The Halton Window & Door Co.)

For Anthony Maan and Michael Patterson of the Halton Window and Door Company, honesty is the best policy. The two pride themselves on not only providing the highest quality services and products, but also educating their clients about the products they sell and the work they do.

As the name suggests, the Halton Window and Door Company sells and installs residential windows and exterior doors. As part of their commitment to customer service, Anthony and Michael have opened a 1,200 square-foot showroom at 374 Guelph Street, Georgetown - the plaza at the corner of Guelph Street and Delrex Boulevard. The showroom features full-sized and installed windows and doors so customers can see exactly what they have to offer.

What sets the Georgetown-based business apart from others is that Anthony and Michael do all of the selling and installing themselves. They have one crew and maintain the highest standard of installation in the industry.

"We don't hire any subcontractors, so the customer is always dealing with one of the owners of the company," Anthony says.

## Anthony Maan

Anthony Maan is pleased to announce that he has joined his family as a sales associate on "The Maan Team" with Royal LePage Meadowtowne Realty on Guelph St in Georgetown, (By Tim Hortons). Anthony said, "It's a natural fit for me. I have helped Georgetown residents improve the value of their homes and now I'm exited to help them sell or buy. My construction and sales background will be a great fit with an already award winning team. It doesn't hurt that my wife, Shannon, is a certified home stager either. Together we can be very helpful to anybody looking to buy or sell a house".

You can't go wrong when you  
have the right MAAN for the job!
