Town recognizes long-serving employees

Longtime Halton Hills employees, (from left) Christine Otto and Mayor Rick Bonnette, (both with 30 years service) and Kathy Levere, celebrating 35 years service, joined for a group hug following the Town of Halton Hills Employee Recognition Night at the Civic Centre. Christine Otto received an original Susan Little watercolor upon receiving her 30-year service pin. Mayor Rick Bonnette was presented with a poster commemorating the Montreal Canadiens Stanly Cuy wins over the years upon receiving his 30-year pin. Levere, who is currently the longest serving employee at the Town, received a gift card to buy artwork, upon receiving her 35-year pin.

Diamond Jubilee medal for Somerville

Mayor Woodrow French, mayor of Conception Bay South in Newfoundland, travelled to Halton Hills to present Ward 2 Regional Councillor Clark Somerville with the Diamond Jubilee medal at a recent council meeting. French, a former FCM president, nominated Somerville for the award for his service as a board member of the Federation of Canadian Municipalities (FCM) for the past five years and is one of 11 elected to serve Ontario. He has served on the rural forum and committees dealing with Infrastructure, Finance, Social Economic Development and Intergovernmental Relations. Somerville recently won his bid for third Vice President of FCM. French said the Town of Halton Hills has made a name for itself across Canada for its leadership on the Buy American fight a few years ago. In the photo from left, is Mayor Halton Hills Rick Bonnette, Somerville's mother Jean, Somerville, French and Somerville's fiancé Jennifer Clark.

Town to host High Five celebration

Town of Halton Hills has been designated as a High Five accredited organization with Parks and Recreation Ontario.

The designation will be celebrated this Saturday (June 22) at the Dominion Gardens Pavilion, 2-2:30 p.m. Children and parents can also meet Town Summer Camp staff and aquatic team from 2:30-4 p.m.

High Five accreditation is the benchmark for excellence in children's recreation and sport in Canada. In achieving this status, the Town is now recognized for providing high quality children's recreation and sport programs and services through:

- High Five certified staff
 - Quality assessment tools
 - Child-centred policies and procedures
- Town recreation staff put in substan-

tial effort over the past three years to ensure that the quality standards for the department's children's programs meet and exceed the criteria established.

"Town of Halton Hills is committed to providing quality recreation for our citizens. Our accreditation status demonstrates our dedication to supporting children along the pathway to healthy child development," said Mayor Rick Bonnette.

Purple is the colour of the High Five quality assurance program, so wear purple for the community-wide celebration that includes music, crafts, games, prizes, face painting and complimentary food courtesy of Maple Lodge Farms.

To learn more about High Five, visit www.highfive.org. Information about Town recreation programs offered for children is at www.haltonhills.ca
