Bare Image is celebrating 15 years in business. Without my family, friends and clients, I could never have succeeded. My business has grown more than I could have dreamed when 15 years ago at age 26, without fear, I dived in with both feet. You have made this possible for me. I have laughed and cried and made great friends. I am in my favourite location — my home; it's comfortable and private. I am so happy to have helped so many with their hair removal needs and am hoping to serve and help for the next 15 years. Thank you again for making my dreams come true. I appreciate your business and your support.
