

TO OUR VALUED CUSTOMERS...

Thank you for our 16th straight year of being voted Georgetown's #1 Favourite Auto Used Car Sales and Favourite Auto Repair Shop.

Our company policy is based on strict moral guidelines, where honesty and respect for our customers is the guiding principle. We feel we are successful because of the skills & teamwork displayed by all of our staff.

Our used car division is powered by an unusual system of purchase to order. You tell me what you want and I hunt for it. This is all

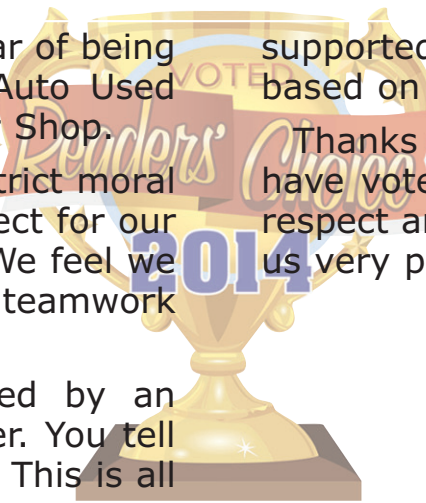

supported by an unbelievable free warranty based on your purchase price.

Thanks again to our great customers who have voted us again #1 in Georgetown. Your respect and appreciation year after year make us very proud.

Sincerely

Dave Hassell
