The Province of Ontario has amended the population and employment forecasts for the Region of Peel in Schedule 3 of the Growth Plan for the Greater Golden Horseshoe through Growth Plan Amendment 2 which came into effect on June 17, 2013. The forecasts for 2031 have been increased and new forecasts for 2041 have been assigned to the Region of Peel. The Region of Peel is undertaking a Regional Official Plan Review to bring its population and employment forecasts into conformity with the new forecasts. Through the Regional Official Plan Review, the Region will be allocating population and employment growth to the Town of Caledon, as well as the Cities of Mississauga and Brampton.
