

Ice storm saviours

The Halton Hills Chamber of Commerce Business of the Month for February is Soft Water Plus, located at 10 Mountainview Rd. South, which is owned and operated by Lorie and Chris Murden. The Murdens were nominated for the award by a loyal customer for their efforts to keep clients—especially those in rural areas—with enough water to drink and flush their toilets during the ice storm in December. Without power for six days, Soft Water Plus remained open throughout the aftermath of the storm, with Chris making deliveries and resetting softeners while Lorie kept the store open “until I nearly froze.” Pictured above are Norm Paget and Wendy Farrow-Reed (centre) of the Chamber with Lorie Murden (right).
