In Memoriam

ALBERT ARISS 2014

By Barbara Ariss-Stroh-Wasser

Remembering always an outstanding husband, An amazing father and a very special friend. Passing February 28, 2004.

Ten years have evaporated,
Into a vacuum,
An eternal emptiness,
Where time stands still;
A paradox,
Cheated by memory
As a mere spark of a fractured second;
Imprinting in us
Your intense presence,
Your vibrant existence,
Your compassionate courage,
Giving proof to
Live life past its limits,
Conquer sadness with joy through hope
Fill emptiness with wisdom through love,
When
Hope conquered sadness during your childhood,
Wisdom guided you
as an Olympian during your youth
Love made you a special husband
and father as an adult.

*Always true to you,
Barbara Ariss, Canada
Whitney and Obadiah Ariss, USA, Derek Ariss,

In Memoriam

In loving memory of
Trefor Gardener
February 26 -2012

We remember you

In the rising of the sun and its going down,
In the blowing of the wind and in the chill of winter,
In the opening of the buds and in the rebirth of spring,
In the blueness of the skies and in the warmth of summer,
In the rustling of the leaves and in the beauty of autumn,
In the beginning of the year and its ends,
When we are weary and in need of strength,
When we are lost and sick of heart,
When we have joys and special celebrations we yearn to share,
So as long as I live, you too shall live, for you are part of us.
We will remember you

Forever missed and forever
in my heart,
**Your wife Cindy xoxo, & children
Matthew, Steven, Kathleen, David**

Does not mean I am out of mind."

Friends may think that we forget her
When at times we are apt to smile
But they little know the heartache
That hides 'neath the surface all the while
