Spring makeover for mall to include new stores, hall

By **LISA TALLYN**
Staff Writer

Behind temporary walls, out of sight of shoppers, the new wing of Georgetown Market Place is buzzing with construction activity while workers get it ready for its opening next month.

Mall Property Manager Herminia Henderson said the wing featuring several new stores will open to the public on April 16 (soft opening) and a grand opening is slated for April 24-26 with several activities and entertainment lined up.

Henderson said she thinks shoppers will be "really impressed" with the new space and stores that are opening.

"There will be a nice selection of women's clothing, men's casual clothing, children's clothing, a large selection of sizes, costume jewelry, travel and much, much more," said Henderson.

Cleo, Sport Chek, Atmosphere, Showcase, Flight Centre, Cellrox, Wireless Wave, Bizou, Rainbow Children's Wear, Warehouse One, Maurices and Vivah are all set to open April 16.

Henderson said the combined store of Sport Chek and Atmosphere in the new wing will be 30,000 sq. ft. featuring sporting goods including bikes and golf equipment, running shoes and clothing. There will also be a Nevada Bob's Golf (including a golf driving simulator) and Hockey Experts in the store.

THE 2014 MAZDA6: IS IT ART OR INNOVATION?

When function and form are treated as one, engineering is elevated to an art form. The all-new Mazda6 is the product of engineer and designer working in unison, from start to finish, daring to reimagine the automobile as a whole. It is the true definition of the modern sports sedan, because contrary to what convention may think, beauty is more than skin deep. And performance is more than an emblem. They're everything underneath.
