

# Land use concepts to be unveiled at Vision Georgetown meeting

The Town of Halton Hills is moving into the next phase of the planning process for the Vision Georgetown community.

Planning is currently under way for the community bounded by 15 Sideroad to the north, Eighth Line to the east, 10 Sideroad to the south and Trafalgar Rd. to the west. It will cover 1,000 acres and be home to about 19,000 people and 1,700 jobs by 2031.

The Town is now moving into the next step of the planning process, which includes developing land use concepts using the Vision and Guiding principles as the framework for decision making.

A land use concept is a map that identifies where different types of residential and commercial uses may be located, the pattern of the major roads, the environmental features to be protected, and the location of parks and schools.

The Town is inviting everyone to join in helping to shape the new community and participate in a Land Use Concepts Workshop Tuesday (April 15) at 6:30 p.m. at Christ

the King Secondary School cafeteria, 161 Guelph St.

Those who attend will have the chance to provide input into the creation of a preferred land use concept.

The main focus of the meeting is to hear from the public. There will be a presentation followed by an interactive workshop. Those who plan to attend are asked to register in advance at [visiongeorgetown@haltonhills.ca](mailto:visiongeorgetown@haltonhills.ca) or by calling 905-873-2601 ext. 2214.

For more information, including staff reports, summaries of public input, and the Vision and Guiding principles visit [www.visiongeorgetown.ca](http://www.visiongeorgetown.ca). People can also sign up for the project email list on the website to be notified of updates and public events.

For anyone unable to attend the workshop, consultation kits are available at the Planning, Development and Sustainability Department at the Civic Centre, 1 Halton Hills Dr., by email at [visiongeorgetown@haltonhills.ca](mailto:visiongeorgetown@haltonhills.ca) or contacting Tara Bionpensiero at 905-873-2601 ext. 2214 or emailing [tarab@haltonhills.ca](mailto:tarab@haltonhills.ca)
