Get into the playoff spirit at The Carpet Palace

The Carpet Palace Flooring Superstore in Norval is the largest outlet of its kind in this area with 7,000 square feet of materials and ideas for the interior of your home. Steve Klintsaris (left) George Kanichis of The Carpet Palace are excited about the upcoming playoffs and have stocked hockey mats for the spring, which are popular with puck fans. Also a big-seller this year, said Klintsaris, is hand-scraped engineered hardwood flooring, as well as vinyl tiles that can be easily installed using a lock and fold system. There's also a wide variety of area rugs from 2' by 3' up to 10' x 13' and hallway runners along with an extensive selection of carpets, ceramic tile and laminates. For more info, visit the website www.carpetpalace.ca or call 905-873-7955. In business for the past 20 years, The Carpet Palace is located at the intersection of Hwy. 7 and Winston Churchill Blvd.
