

Raising funds for MS

Twins Jacob (right) and Zachary Bedal, 10, with little brother Sammy, 7 (centre) are selling lemonade and dog treats from their Atwood Ave. driveway every Saturday in April (weather permitting) to raise money for the MS Walk in May. The Real Canadian Superstore provided the boys with a \$25 gift card to spend on supplies. The Bedal boys are raising money so that they can walk with their dad and his team—the MS Crushers. The Crushers will walk 10 km in Milton on May 4 in the annual MS Walk with the MS Society-Halton Chapter. The Bedals started to raise money last year as a way to help fight back after the boys' mother, Laura, was diagnosed in 2012 and the family is trying to make something positive of the experience. Their dad, Brian, is the team captain and has led the team in donations these last two years. The family manages a Facebook page, MS WALK FOR LAURA to raise awareness (and funds) for MS. *Submitted photo*
