Clean Up Day is set for April 26

Continued from pg. 5

When asked how the neighbours react to this community service, Janet noted that passers-by wave and expresses their thanks. The cleanup activity is a positive experience and doing it makes her feel good. Janet hoped that the Town would keep promoting Clean-Up Days because in her opinion it is vital to the town. Cleaning up the town makes a huge difference.

The Schenks are among the first in the spring to pick up their gloves and bags at the Robert C. Austin Operations Centre at

11640 Trafalgar Road. They began their cleanup early in April and will complete their section of the Sixth Line well before the official Clean-Up Day on April 26.

The Town appreciates the years of dedicated service of the Schenks and all of the many other community minded citizens who pitch in every year to give our town its spring cleaning.
