(R)amping up for 21 years

The team at Deker Electric recently celebrated a milestone. Begun twenty years ago with one truck by Master Electrician Derek Hoar, the dynamic local company now boasts 10 employees and several vehicles, servicing Halton Hills and area with not only general electrical contracting, but also as the local distributor/installer of Generac emergency backup generators. Pictured holding the cake are Lana Walsma-Hoar and husband Derek, and, in the back row, from left to right; Vicky Wiggins, Zach Seabourne, Nick Opper, Greg Shepherd, Tim Field and Dave Dagliesh.
