MAY 2014

## New HHS President & CEO

**Denise Hardenne**  
HHS President & CEO

Denise Hardenne has been named the new President & CEO of Halton Healthcare Services.

Ms Hardenne, who had been appointed Interim President & CEO on March 31, 2014, takes over as successor to John Oliver, who retired April 30, 2014 after 23 years with the hospitals of Halton Healthcare Services (HHS).

Ms Hardenne brings over 28 years of progressive leadership experience to the job. She joined HHS in 2000 as the Vice-President of Professional Practice. In 2007 she was promoted to Senior Vice President. Prior to being appointed Interim President & CEO she held the title of Executive Vice President for HHS and provided leadership for hospital operations, quality and enterprise risk management. In this capacity she was also the Executive lead for Operational Readiness planning across all three HHS Redevelopment projects.

Denise is an alumnus of the University of Saskatchewan graduating with BScN and McED degrees. She has a Wharton School of Business Fellowship in Management for Chief Nurse Executives and has completed the Rotman Not-for-Profit Governance Essentials Program. She also has an MBA degree from Queen's University and is an Academic Mentor for Masters level students for the U of T Health Services Administration Program.

"We are extremely pleased with this appointment," said Judy Wilson, HHS Board Chair. "The Search Committee's decision to recommend Denise was unanimously supported by the Board. She is an accomplished senior executive in the healthcare sector with a proven track record. In addition to providing continuity and stability within the organization we are certain that under Denise's leadership we will continue to see HHS excel in the years to come."
