**Fishing for a new career?**

CPI is a world-leading, high-tech electronics company that designs, manufactures, and markets a diverse range of products for diagnostic medical imaging and satellite communications for television, Internet, and data transmission. We are seeking new talent to add to our team in our **Georgetown** location.

**Maintenance Technician (Electronics)**

Do you thrive in a fast-paced and technical environment? As part of our team, you will be responsible for installing, repairing, testing, and calibrating electronic equipment, building custom test equipment, and repairing lasers and high-voltage equipment. You have obtained a community college diploma in a related field, such as electronics technology or a technician program, and have three to five years of experience with troubleshooting and repairing electronic equipment in a manufacturing environment. Experience working with HV power supplies, RF power circuits, temperature controls, and analogue and digital circuits is considered an asset to your candidacy.

In exchange for your talents, we offer a competitive package that includes a comprehensive range of benefits, a friendly and stimulating work environment with an in-house fitness facility, and the opportunity to apply your skills with an industry leader.

Please apply to:  
**Human Resources, CPI Canada Inc., 45 River Drive, Georgetown, ON L7G 2J4**  
**e-mail: [hrcanada@cpii.com](mailto:hrcanada@cpii.com) fax: (905) 877-2658**

We value all applicants; however, only those selected for interviews will be contacted.

*CPI values the contributions of a diverse workforce and is proud to be an Equal Employment Opportunity Employer.*

*No Agencies please.*
