Rebels to host Relay for Life Friday

Georgetown District High School is hosting its Rebel Relay for Life at the school on Friday, June 6 from 7 p.m. until Saturday, June 7 at 7 a.m.

More than 300 students are participating with a goal to raise \$20,000.

Here are just a few ways funds raised from Relay For Life is making an impact:

Research: In 2012, there were 25 findings supported by Canadian Cancer Society research that directly impacted practice (like guidelines for doctors), policy (like bans on carcinogenic products) and program delivery (like workplace health programs) for

people living with cancer.

Support: In 2013, volunteer drivers in Ontario drove 12 million kilometres, taking more than 15,500 cancer patients to treatment and cancer-related appointments, a distance equal to driving around the world 300 times.

Prevention: On Oct. 9, 2013 Ontario passed Bill 30, the Skin Cancer Prevention Act, which regulates the selling and marketing of tanning services and will restrict tanning salons from selling their services to youth under age 18.

How you can help: Make a general donation to a team or an individual online at relayforlife.ca/GeorgetownDHS
