

Are you using acceptable **GreenCart** liners?

If you choose to line your GreenCart with a bag, please ensure you are using and purchasing acceptable certified compostable liners with the Biodegradable Products Institute (BPI) logo on the box, as shown to the right. These bags are made from plant-based materials so they compost easily. Not all liners sold are accepted for use in Halton's GreenCart program. Halton Region does not accept plastic products or plastic liners in the GreenCart.

Other acceptable liners include:

- Paper towels
- Newspaper/flyers
- Cardboard
- Paper bags
- Paper food waste bags

For a list of GreenCart acceptable liners and where they can be purchased, visit Halton.ca/greencart.

Simply Local – supporting local farms

Farmers' markets in Halton have opened for the season so it is a great time to take advantage of all the fresh produce our local farms have to offer. Simply Local – Your Guide to Halton Farms is an excellent Halton resource for mapping out your tour of local area farms this summer. Many of Halton's farms offer various goods for sale as well as host special events and activities for all family members. Buying local is good for our economy, the environment and your health. Visit Halton.ca/simplylocal to learn more.
