

Book chosen for town-wide book club

What are you reading this summer? Halton Hills Public Library invites you join One Book One Halton Hills, a program designed to encourage everyone in Halton Hills to read the same book — think of it as one big book club!

This year's book is *The Painted Girls* by Cathy Marie Buchanan. A number one national bestseller, *The Painted Girls* is a gripping novel set in Paris and inspired by the real-life model for Degas's "Little Dancer Aged Fourteen" and by the era's most notorious criminal trials.

Mark September 25 on your calendar when Cathy Marie Buchanan reads at the Georgetown library. Info: www.hhpl.on.ca.

Thank you to all my loyal clients for your patronage. It's been a pleasure serving you the past 12 years,

Rosanne

CUSTOMER SERVICE IS A PRODUCT SLOWLY BECOMING EXTINCT

My definition of quality customer service and goal is to provide continued, effective hearing for the patient. There are many issues and parts of this task - please do not think I am saying that I have succeeded in creating an A+ practice. It takes a lot of work, dedication and time to achieve excellence.

Regardless of business, it all boils down to customer service. The product purchased - and this can relate to any device - needs to be serviced regularly, the patient needs to understand and use their product properly. Wherever you shop, ask yourself this: Can I follow up with the same person who sold and serviced my product when I need them? Does the person who serviced you remember your name and needs? Will that person be there for me in the future?

As a local business person and proud lifelong resident of this community, I wish to thank all who have allowed me to serve the community since 1992.
