*Please don't mourn for me,
I'm still here, though you don't see.*

*I'm right by your side
each night and day,
And within your heart
I will always stay.*

*My body is gone
but I'm always near,
I'm everything you feel,
see, and hear.*

*My spirit is free
but I'll never depart,
As long as you keep me
alive in your heart.*

*I'm the first bright blossom
you see in the spring,
The first shiny raindrop
that storm clouds bring.
I'm the first ray of light
when the sun starts to shine,
And if you look close,
The face in the moon is mine.*

*I'm the hot salty tears
that flow when you weep,
And the beautiful dreams
that come while you sleep.
I'm the smile you see on a
stranger's face,
Just look for me...
I'm in your heart always!*
