

# Japanese jazz musicians in Acton on Saturday

For four years Eden Mills has welcomed the winners of the previous year's Sapporo International Jazz Festival competition as an energizing fanfare for summer. This year the Yoshihiro Murakawa Quartet will not only perform 7:30 p.m. at the Eden Mills Community Hall on Friday, June 27, but also at the Acton Town Hall Centre, 8 p.m. on Saturday, June 28.

These concerts are fundraisers for the Eden Mills Community Hall and Acton Town Hall Centre. Tickets at the Acton Library or at the door, \$25 adults, \$10 students. Reservations can be made at 519-853-5302 or info@actontownhall.com

As a component of their prize, the winners of the Sapporo Competition are invited to perform at the Toronto Jazz Festival. This year, the group will perform in the Youth Jazz Showcase on the Toronto Star Stage in Nathan Phillips Square at 11 a.m. on Saturday, June 28, rushing back to the city between their Eden Mills/Acton gigs.

Nassagaweya's impresario John Crompton is one of the judges every year at the Sapporo Competition. He says, "The Quartet came first out of 153 participating ensembles. These artists represent the very promising future of jazz in Japan."

The Yoshihiro Murakawa Quartet also features Yoshihiro Murakawa (saxophone) Kimura Yu (piano), Ito Mio (bass) and Mima Daisuke (drums).

## ... Lend Me Your Ears

**PLEASE be aware of sales practices**

Avoid being pressured into buying a hearing aid. As with any other medical decision, you should be given the opportunity to seek additional information or a second opinion. Sales personnel using high pressure approaches demonstrate little concern for your well being.

# HEARING SCIENCES

## Audiology and Hearing Aid Centre

**"I can hear but I can't understand...everyone mumbles"**

Hearing loss develops gradually over many years or even decades. Most people wait an average of 7-9 years before seeking help. We offer a Unique Adaptation to Hearing program that gradually restores your hearing in small steps. You will be reintroduced to sounds that you may have forgotten such as the microwave beeps, car turn signal or birds singing. You will start to hear TV and conversations clearly again. Fortunately there is a great variety of excellent digital hearing instruments available in all price ranges.

**If you haven't listened to a hearing aid in the last 3 years, come in for a no obligation, 2 week TEST DRIVE and prepare to be amazed!**

**Call (905) 877-0099**  
to book your complimentary hearing test  
(\$60 value, Age 55+)
