

Kyle Stewart, General Manager

## The Club at North Halton

Kyle Stewart is the General Manager of The Club at North Halton and is excited to be celebrating the club's 60th year in business.

The Club at North Halton, located on a prestigious spot at the corner of Maple Ave. and Trafalgar Rd., is a year-round country club that really sells enjoyment, he says. "We offer a magnificent golf course, active curling section for winter enjoyment and great dining experiences all year round. This is our member's home away from home!"

"The wonderful people that surround country clubs are what makes this industry so special," adds Stewart. "We get fully engaged into our members' lives and family life, we experience life's turns together while enjoying great social activities. I'm in the golf business because I love the people that surround it." Stewart and his family are relatively new to Georgetown and Halton Hills, but say they already love the area.

"We are so close to everything, yet just far enough away from 'city life'. What a beautiful area with great amenities; this is an ideal 'family town'." Stewart studied Business Administration majoring in marketing and human resources with a minor in finance. He is a member of the Canadian Society of Club Managers and is still an active member with the Professional Golf Association of Canada.

He has been in the golf business for 18 years and in senior golf management for the past 10 years.

"I have a passion for the game of golf and the experiences that come from a club environment," says Stewart. "The honour, etiquette and wonderful people that surround great clubs are superb."

"If only the walls could talk. I've always said I should write a book about the behind the scenes stories that surround the golf clubs I've had the fortune to have been a part of... problem is no one would ever believe the stories."

## Bennett's Waste Disposal

Bennett's waste disposal Inc. has been serving customers in the Halton Hills area since 1991. Established originally as a rural household waste service they now have a flourishing weekly commercial bin service in and around the Halton area.

Mark Bennett, V.P. operations, spent a number of years in the waste business prior to entering into this venture.

Mark's business is truly a family affair: in addition to his father Colin, he also works with his Mother and sister, Ritchie, Office Manager, Alastair, David and Fulton round up the operations crew.

"Working with my family is fantastic" Mark says "We work together all week but still socialize on weekends."

They offer a personal service rarely seen in today's fast paced world. If you forget to put your garbage out they will wait or go to the door. Miss a couple of weeks and the office will call to see if everything is o.k. Their drivers will always slow down to pass dog walkers, hikers and cyclists on the rural roads.

"We have known many of our clients for 20 years "Mark smiles" and they often call the office just to chat with my Mom or stop us on route to discuss any issues they may have, or just to say Hi"

It may take a little longer to provide this friendly and personalized approach but in the long run it pays off with phone calls and letters thanking us for just doing our job"

Remember our motto "Your Garbage is our bread and butter".

OLA AND NAIJA

## Generations Physiotherapy

Ola Jiskra is the owner and Clinical Director of Generations Physiotherapy Centre for the past six years.

The clinic offers physiotherapy, massage therapy, acupuncture, athletic therapy, pain management therapy and more.

Ola, herself, has been a part of the health care industry for more than 15 years. She absolutely loves being a part of helping clients get back in motion.

Ola was born in Poland and arrived in Canada with her parents and two siblings in the early '80s. As such, she is able to assist clients in Polish. Other languages offered at the clinic are Filipino, French and Italian.

Ola says, "We truly believe that patients should receive not only the highest quality of care but do so in the utmost of comfort. Our objective is to provide the community with personal and professional services that are second to none."

Ola, Jason and Naia Jiskra live in Halton Hills and naturally wanted to open a business close to home. They are great believers in community involvement and that is why as a family they get involved in the annual community clean-up days and collect donations for few organizations, most especially the local women's shelter.

"We are also proud to be an official corporate partner of the Georgetown Hospital Foundation."
