

You pay what they pay!

Before the staff at Georgetown Chevrolet takes this coming Tuesday off to celebrate Canada Day, they've got a couple of special offers for their customers to ring in our national holiday. The Employee Pricing Event for all 2014 models (except Corvettes) remains in effect and the Guelph St. dealership is also supporting the Georgetown Hospital Foundation with another promotion. Drive For A Cause has been a big hit so

far in its first year— \$25 from each test drive taken with any vehicle at Georgetown Chevrolet goes to the Hospital Foundation. Pictured above (from left) are: Paul Marchildon, Nes Derkach, Joe Smith, Stephanie Lampkin, Glen MacDonald, Carlos Ramos and John King.
