

Just4Kics charity opens sporting goods outlet in Georgetown

Just4Kics (Kids in Community Sports) has opened its first retail outlet, at 116 Guelph St. Unit 6 (back of the building).

Created to increase accessibility to affordable sporting equipment, the outlet will offer new and used equipment at affordable prices for area families.

"We're tremendously excited about the positive impact this new outlet will have for underprivileged amateur athletes in our community," said Robert Wright, CEO of Just4Kics.

"Every kid deserves an opportunity

to play the sport they love. Our organization is about helping kids pursue their dreams."

As a not-for-profit charity, Just4Kics receives new and used sporting equipment as in-kind donations. The new outlet will help facilitate the exchange of goods and point of sale tax receipts for donors.
