School bus orientation day set for Aug. 23

Halton Student Transportation Services (HSTS) and the local school bus operators want to remind parents of first-time riders to register for "School Bus Orientation Day" on Saturday, Aug. 23 starting at 9 a.m.

School Bus Orientation Day is a safety program provided by HSTS and the local school bus operators. Parents of all first-time riders are encouraged to bring their children to the free sessions, which will feature a classroom presentation on school bus safety, including a special Winnie-the Pooh video and a demonstration on a school bus. School bus company safety officers and bus drivers will talk to the children and their par-

ents about safely getting on and off of the bus, proper behaviour on a school bus, crossing the street to get to a waiting bus and overall school bus safety. In addition, a handout will be provided to all young riders with tips on school bus safety.

To register students and secure a preferred time slot, parents must contact the host bus company at the phone number listed next to the desired location.
