

# Active Living Centre to sell lottery tickets at the Mall

By **FLORENCE RIEHL**

Hillsview Active Living Centre, Georgetown

Thank you to all the members who came out to help sell lottery tickets at the Mall. If you do not yet have your lottery ticket you can pick one up at Reception and from a board member. We will be back in the Mall on Saturday, August 23. Don't miss out on your opportunity to win one of 15 money prizes – the largest being our Jackpot of \$5,000.

There are Lottery tickets available for family, friends, neighbours, and volunteers to sell on behalf of the Centre. See Terri in the office to get a book to sell.

There is no registration for Active Living

Programs before Aug. 27. Watch for the Community Guide to start being delivered to homes on Aug. 14. It will contain a list of Active Living Programs being offered at our Centre beginning in September.

Open House Week is Sept. 8-13. There will be several opportunities that week to try some of the existing Active Living Programs and new ones to be offered. You can be as active as you want. Better than being a "couch potato".

Please remember that when you have signed to go on a day trip you have made a commitment to pay. There are no exceptions. Numbers are handed into the bus company 4-5 weeks in advance of the trip. The Centre has committed to pay the total bill.

## Did you think incontinence was just a "woman's issue"?

Learn how physiotherapy can help men with Pelvic Health, including incontinence and pain after prostate surgery.

Incontinence can be dramatic following prostate surgery or radiation treatment. Men are alarmed by the immediate decrease in their quality of life that comes with being reliant on urinary pads throughout the day.

### Did you know?

The scientific research clearly shows that men who receive physiotherapy BEFORE and AFTER prostate surgery gain control of their bladder quicker.
