www.RichardsonTownandCountry.ca New

it's a **Sign** of the **Times**

"We made an Environmental Decision"

Our new sign colour "Brilliant Red" was chosen to dramatically extend the life of our signs and will annually keep over 1000 faded "flourescent Red" signs out of our Landfills.

We appreciate your support in this important initiative.

Of course you will still get the Same Great Agents & the Same Great Service.
