Cameron Ernst

My name is Cameron Ernst. I am a resident of Toronto and soon to be a local resident. Working in a small town I understand the need for excellent customer service and to go above and beyond to make my customers purchase a special occasion. I have always had a passion for cars and helping someone find their next vehicle. Car buying can be fun and I strive to show you how!

Mike Rudat

My name is Mike Rudat. I was born in Georgetown and have been local all my life. I have always had a passion for cars and I feel that it is a very exciting feeling getting a new car and I am honoured to be a part of that experience. We have never done anything like this before and this will be one our most exciting weekends ever!!
