

New squadron chief, Warrant Officer Second Class Ellen Dobbs won a Power Pilot scholarship and is now completing her seven-week course at Durham Flight Centre in Oshawa where she is earning her private pilot's licence. Here she receives her First Solo Certificate from her instructor. Being selected for Power Pilot is the pinnacle of Air Cadet summer training, earned through a highly competitive process of examinations and interviews.

Acton Air Cadets to hold registration night Monday

For the past seven weeks, 14 cadets from 197 Typhoon squadron have been away at three different Cadet Summer Training Centers (CSTC).

197 Squadron Commanding Officer, Captain Scott Legge said, "Summer courses are a great opportunity for cadets to grow personally, learn new skills, expand their knowledge base and gain confidence and independence. Air cadet summer courses really give teens the opportunity to spread their wings and push the limits of their comfort zone in a positive, supportive and enabling environment that will benefit each of them in their future cadet, academic, social and employment endeavors."

197 squadron's 2014/15 local training season will be commencing soon, offering a dynamic program to all interested youth between the ages of 12 and 18. As well as a comprehensive local training program,

197 squadron offers a Drill Team, Marksman Team, Military Band and a Flight Scholarship program. The squadron also plans an annual trip at March Break and weekend activities including sports days, orienteering, survival field exercises, glider and power flying. 197 squadron cadets can regularly be seen at local community events, assisting Royal Canadian Legion Branch 197 and Acton BIA with their events.

197 Squadron will be holding a recruiting night on Monday, Aug. 25 at the Acton Legion, 7-9 p.m. All interested local youth and their parents are encouraged to attend to find out more about this free program.

197 Squadron parades at the Acton Legion on Tuesdays from 6:30-9:15 p.m. throughout the school year.
