

Concussion Passport to Safe Play

Where every patient is treated like an elite athlete

We are here to keep our athletes active into their adult years and can offer you:

- Player and Coach Education
- Preseason Baseline Testing
- Balance Assessment
- Sports Medicine Consultation
- Cognitive and ImPACT testing
- Return to Play Protocols
- Follow Up and Collaborative Medical Evaluation
- Step by Step Medical Guidance

When you need concussion assessment and follow up treatment, you can be reassured that our Concussion Passport Guidelines are medically endorsed and follow the International Zurich Concussion Guidelines.

We are here to treat every patient like an athlete, but FIRST they have to be medically assessed and treated as a patient and more importantly your child.

Garage sale donations wanted

ANVIL Ministry for Men (Georgetown Christian Fellowship's men's ministries) will be hosting a church garage sale at the Georgetown Christian Fellowship church parking lot on Saturday, Sept. 20 from 8 a.m. to 2 p.m.

The purpose of the garage sale is to assist a woman in the community who is without transportation.

The men would like to raise money

to purchase a motorized bicycle for her. She has been struggling with failing knees and is under doctor's care and her only means of transportation is by walking.

The men are looking for garage sale items to be dropped off at the church or people can call for free pickup of garage sales items at 905-702-1782 or 647-241-9196
