It is such a privilege to be joining a real estate team that so strongly mirrors my belief that business (and life) should be based on integrity, commitment, hard work, passion, and having fun!

With over 12 years experience as a licensed Realtor I have sold residential as well as commercial properties, negotiated numerous leases, and practiced within the corporate sector as a domestic and International Relocation Manager. A strong advocate of continuous education I actively train to enhance my professional skills. I have been the recipient of numerous awards for sales and service but it is when my clients award me their friendship and refer me to their families and friends that I feel most successful.

As a proud long time resident of the Halton Hills I am pleased to give back by being an active member of my wonderful community by participating in many local events, charitable fundraisers, athletic endeavours, and more. Wife, Mother, Grandmother, Friend, and ... Your REALTOR
