Letter to the Editor,

RE: Santa Claus in Jeopardy

For over 70 years the Georgetown Lions Club has organized and staged the annual Santa Claus Parade. For the last few years the parade has been an evening event with literally thousands of spectators enjoying the parade. Hundreds of volunteers' hours are required to run the event.

Many residents believe that the Town of Halton Hills runs the event; while they do provide assistance the Lions Club provides most of the volunteers and the funding comes from our corporate and private sponsors. Each year we need to raise over \$10,000 to produce the parade and our costs continue to rise and we endeavour each year to produce a great parade but it is becoming more and more challenging.

This year our costs for police services will increase 25% and these costs continue to increase. We have been advised that we can control these costs if we are able to have adult volunteers at each traffic barricade, while we have many students assisting us this task can be overwhelming for young people.

We are looking for 25 volunteers to help on parade day to keep both our spectators and parade participants safe. The amount of time required is about three hours and there is a great benefit, you will have the best view of the parade. Please contact Lion Louie Violo at 905-877-8111 x100 or louie@powerquestelectric.ca

"Santa Claus is Coming to Town" November 15, your help will make sure he arrives this year and for many years to come.

Yours truly,

Louis Violo
