If I should go tomorrow,
 It would never be goodbye,
 For I have left my heart with you,
 So don't you ever cry.
 The love that's deep within me,
 Shall reach you from the stars,
 You'll feel it from the Heavens,
 And it will heal the scars.

We remember you every day!

Dear Doug Cindy Sheri and Robert
 A Letter From Heaven

When tomorrow starts without me and I'm not here to see
 If the sun should rise and find your eyes filled with tears of me
 I wish so much you wouldn't cry the way you did today
 While thinking of the many things we didn't get to say
 I know how much you loved me as much as I loved you
 And each time you think of me I know you'll miss me too
 When tomorrow starts without me don't think we're far apart
 For every time you think of me I'm right here in your heart

Miss you Penny

 A voice we loved is still
 A place is vacant in our lives
 Which never can be filled

If we could have a lifetime wish and one dream that could come true
 We would pray with all our hearts just to see and speak to you
 A thousand words won't bring you back
 We know because we've tried and neither will a million tears
 We know because we've cried
 You've left behind our broken hearts and precious memories too
 But we've never wanted memories
 We only wanted you.

Missing you everyday Nate Dogg!

Love Rebecca, Matt, Reilly, and Paige
