Minnow Environmental Inc. is a leader in Aquatic Environmental Consulting services, conducting studies in freshwater and marine environments across Canada. We are a small firm of aquatic scientists servicing the Canadian natural resource sector with offices in Georgetown, ON and Victoria, BC. We are currently seeking someone to join our team as an **administrative/ GIS staff member**. The position will involve assistance with preparation of GIS-based maps and data management including data entry and the provision of tables and figures to support our technical reports.

The successful candidate will be able to demonstrate exceptional organizational skills, an eye for detail, experience and competency with a variety of software applications including ArcGIS, MS Excel, MS Word, Adobe Illustrator and an interest/ experience in environmental studies. Experience within an office environment and with information management is an asset. Post-secondary education is preferred.

Minnow offers a competitive compensation and benefits package and an excellent work environment.

If interested, please submit your résumé in confidence to **work@minnow.ca** or fax to **905-873-6370** attention Human Resources. Résumés received prior to November 15, 2014 will be considered.
