

# Man charged after neighbour dispute

A Georgetown man is facing charges after an incident between neighbours on Rexway Dr. about 10 p.m. last Thursday.

Halton Police say the dispute started as a result of fireworks being set off by one of the neighbours.

A man came out of his home with what the neighbours and others that were there believed was a handgun. There was a verbal altercation and police say the man pointed the gun into the air and made vague threats.

Police say the man with the gun, which police later determined was a pellet gun, yelled some obscenities then went back

inside his house.

Police were called and arrested the man without incident, then executed a search warrant at the man's home. Several pellet guns were recovered from the home along with a quantity of marijuana, cannabis resin and drug paraphernalia.

Charged with possession of a weapon dangerous to the public peace, careless use of a firearm, possession of cannabis resin for the purpose of trafficking, possession of marijuana for the purpose of trafficking, production of a controlled substance (cannabis resin) is Aaron Tyler Knee, 31, of Rexway Dr.
