STEVE KLINTSARIS & GEORGE KANICHIS

Carpet Palace

For more than 19 years, the Carpet Palace has been a fixture at the corner of Guelph Street and Adamson Street in Norval. Owned and operated by brothers-in-law Steve Klintsaris and George Kanichis, the store sells and installs a wide variety of flooring options from carpet and area rugs to laminate and hardwood.

Carpet Palace's 6,700 square-foot store is part warehouse and part showroom, which means there is a larger variety of stock to choose from and a better availability of products.

"We believe in keeping business local. You can get everything you need in one store so you don't have to look outside of town," George says. "We offer personal, honest and friendly service. We're here to make sure you're happy with what you're getting."

This commitment to customer service has built a loyal customer base for the family-run business. The majority of Carpet Palace's clients come from referrals.

"We want to make you feel at home," George says. "Carpeting and flooring is a permanent decision. It's not like paint where you can just paint over it if you don't like it. You have to be happy with it. We care about what you put in your home."
