Every Set of Lost Keys Has a Story

NEWSPAPER RETRACTION FOR THE FUTURE

"We lost our keys at a hockey game out of town, including our expensive-to-replace smart key for the car. Our War Amps key tag did its job when our keys were returned to us last week by courier, much to our relief." - War Amps supporter

The Key Tag Service – it's free and it works. Nearly 14,000 sets of lost kevs are returned every year.

Jr. Jaguars finish season undefeated

The annual Pink Game cancer fundraiser between crosstown boys' volleyball rivals Georgetown District High School and Christ the King played out Tuesday afternoon, with the visiting Jaguars sweeping both matches.

CtK's juniors downed the Rebels 2-0 in their regular-season finale to improve to 10-0 this season and head into next week's playoffs as the top seed in the Halton Secondary School Athletic Association AAAA Division.

The junior Jags will host Oakville-Trafalgar

in the semifinals Monday at 4:45 p.m., with the Halton final Nov. 10 at Sheridan College.

The team came up just short of winning the All-Ontario Catholic championship last Saturday in Toronto, going unbeaten until the final, with St. Michael's of Stratford winning in three

In Tuesday's senior contest, 7-3 CtK prevailed over the 3-7 Rebels 2-1 and will also host Oakville-Trafalgar on Monday at 3:30 p.m. in the HSSAA semifinals.

BECOMING EXTINCT.

My definition of quality customer service and goal is to provide continued, effective hearing for the patient. There are many issues and parts of this task - please do not think I am saying that I have succeeded in creating an A+ practice. It takes a lot of work, dedication and time to achieve excellence. Regardless of business, it all boils down to customer service. The product purchased - and this can relate to any device needs to be serviced regularly, the patient needs to understand and use their product properly. Wherever you shop, ask yourself this: Can I follow up with the same person who sold and serviced my product when I need them? Does the person who serviced you remember your name and needs? Will that person be there for me in the future?

As a local business person and proud lifelong resident of this community, I wish to thank all who have allowed me to serve the community since 1992.

We care about your hearing!
