## Robert Little School vies for recycling prize

Robert Little Public School in Acton is trying to win \$3,000 by collecting stale air fresheners—plus discarded wipes packaging, trigger heads from spray bottles, used plug-in cartridges and other expired home care bits and pieces that can't be recycled through curbside pickup.

It's all part of a new contest initiated by local eco start-up TerraCycle Canada and air care gurus at Febreze— whoever collects the most air and home care waste for us to recycle will get \$3,000 to spend as they wish on community projects, charities or other initia-

tives that benefit kids in the area.

The contest running until Dec. 31 is called the The Febreze Fall Frenzy.

Acceptable waste includes:

- All brands and sizes of plastic air fresheners, plastic electronic air fresheners and plastic air freshener cartridges.
- All brands of plastic bottle trigger heads and pumps and flexible cleaning wipe packaging (intended for home cleaning)
