

NOTICE OF PUBLIC INFORMATION CENTRE #1

CLASS ENVIRONMENTAL ASSESSMENT STUDY

Trafalgar Road (Regional Road 3) Transportation Corridor Improvements Steeles Avenue (Regional Road 8) to Highway 7, Town of Halton Hills PR-2960A/PR-2961A

Study

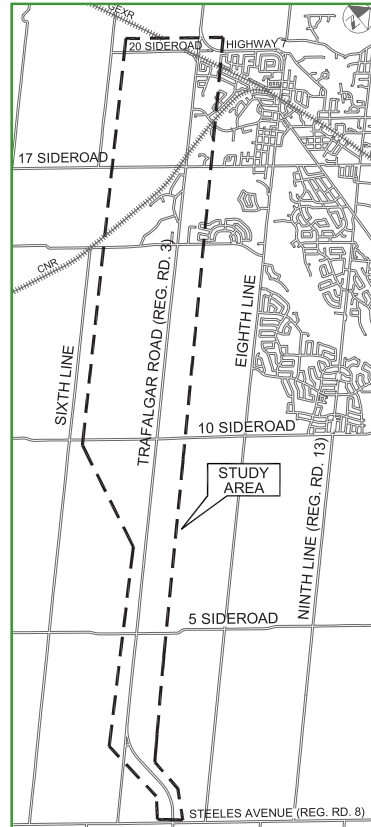

Halton Region has initiated a Class Environmental Assessment (Class EA) study to consider a wide range of options for transportation corridor improvements to satisfy future travel demands to 2031 on Trafalgar Road from Steeles Avenue to Highway 7, in the Town of Halton Hills. The Class EA Study will consider a wide range of road improvement alternatives as well as intersection improvements, active transportation and overall traffic operations. The impact of road improvements on social, cultural, economic and natural environments will also be evaluated and assessed during the study.

Process

The study is being conducted in compliance with Schedule C of the Municipal Class Environmental Assessment (October 2000, amended 2007 and 2011), which is approved under the *Ontario Environmental Assessment Act*.

A key component of the study will be consultation with interested stakeholders (public and regulatory agencies) through Public Information Centres (PIC). The first Public Information Centre has been arranged for:

Date: Thursday, November 20, 2014
Time: Drop-in: 6:30 – 8:30 p.m.
Location: Georgetown District High School – Cafeteria
 70 Guelph Street, Halton Hills ON L7G 3Z5

The map shows the approximate limits of the study area.

The purpose of the PIC is to review and obtain public input on the problems being addressed, background information and the planning alternatives being considered. Anyone with an interest in this study is invited to attend and participate.

Comments

If you are unable to attend the Public Information Centre and would like to provide comments, please forward them by Friday, December 5, 2014 to either Project Team member. For more information on this project, please visit the project website at Halton.ca/EAprojects.

NOTICE OF PUBLIC INFORMATION CENTRE #1

CLASS ENVIRONMENTAL ASSESSMENT STUDY

Ninth Line (Regional Road 13) Transportation Corridor Improvements Highway 407 to 10 Side Road (Regional Road 10), Town of Halton Hills PR-2876A

Study

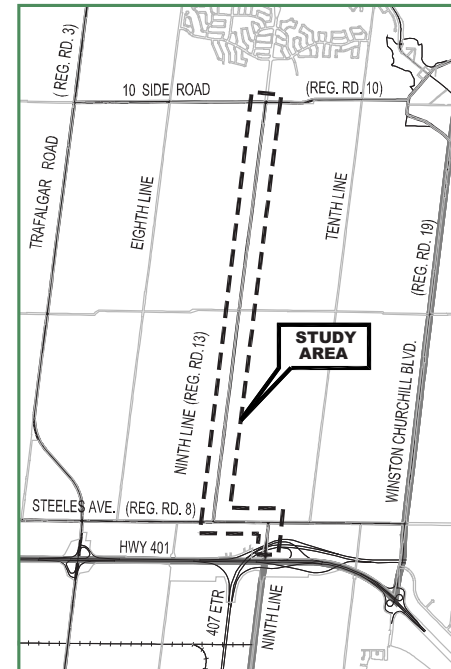

Halton Region has initiated a Class Environmental Assessment (Class EA) study to consider a wide range of options for transportation corridor improvements to satisfy future travel demands to 2031 on Ninth Line from Highway 407 to 10 Side Road, in the Town of Halton Hills. In order to best address travel demand along Ninth Line, the Class EA Study will consider a wide range of road improvement alternatives as well as intersection improvements, active transportation and overall traffic operations. The impact of road improvements on social, cultural, economic and natural environments will also be evaluated and assessed during the study.

Process

The study is being conducted in compliance with Schedule C of the Municipal Class Environmental Assessment (October 2000, amended 2007 and 2011), which is approved under the *Ontario Environmental Assessment Act*.

A key component of the study will be consultation with interested stakeholders (public and regulatory agencies) at two Public Information Centres (PIC). The first Public Information Centre has been arranged for:

Date: Thursday, November 20, 2014
Time: Drop-in: 6:30 – 8:30 p.m.
Location: Georgetown District High School - Cafeteria
 70 Guelph Street, Halton Hills ON L7G 3Z5

The map shows the approximate limits of the study area.

The purpose of the PIC is to review and obtain public input on the problems being addressed, background information and the planning alternatives being considered. Anyone with an interest in this study is invited to attend and participate.

Comments

If you are unable to attend the Public Information Centre and would like to provide comments, please forward them by Friday, December 5, 2014 to either Project Team member. For more information on this project, please visit the project website at Halton.ca/EAprojects.

Flu season is here

Flu season is upon us and Halton Region's Health Department reports the best way to protect against getting and spreading the flu is to get the annual influenza immunization (flu shot). Remember, when you protect yourself, you protect those around you who may be at risk of severe illness from the flu.

You can get your flu shot at physicians' offices, walk-in clinics, many pharmacies and some work places. For more information about flu and for Halton Region's clinic schedule, visit Halton.ca/flu.

Gary Carr
 Regional Chair
