## NEWS

**Gravel truck rollover** About 7 a.m. Thursday (Nov. 27) on Trafalgar Rd. near Stewarttown Rd., a gravel truck flipped onto its side, spilling its load. No one was injured. A Halton Hills Fire Department spokesperson said the truck brought down some hydro wires with its elevated box. The Fire Department requested Halton Hills Hydro shut down the main feeder lines that run through the area. As a result, hydro was out temporarily in parts of Halton Hills, including Acton. Firefighters contained a hydraulic fluid spill from the truck until Region staff arrived. Trafalgar Rd. in the area was closed for several hours. Pictured: The driver of the truck surveys the scene. At press time, Halton Police had no further details.
