Stanley Ronald Hatcher (1932-2014)

It is with deep sadness that we announce the passing of Stanley Ronald after a courageous battle with cancer. Stan left us, surrounded by his family, on November 30th, in his 83rd year. Beloved husband of Gladys, his sweetheart always and partner for over 59 years. Loving father to Adrian (Rosemary), Kevin (Lee), Michael (Kathy) and David (Sheri) and grandchildren David, Benjamin, Lindsay, Heidi, Stephanie, Christopher, Ryan, Austin, Michael and Allison. He will also be sadly missed by his sister-in-law Frances and his eight great grandchildren.

Stan was educated at Bishop Wordsworth's School in Salisbury England and obtained his B.Sc. and M.Sc. in Chemical Engineering from Birmingham University. In 1954 he immigrated to Canada, obtained his Ph.D. in Chemical Engineering from the University of Toronto in 1958 and joined Atomic Energy of Canada Limited (AECL) as a research engineer at the Chalk River Nuclear Laboratories that same year. He spent the next 34 years with AECL, with 19 years at the Whiteshell Nuclear Research Establishment (WNRE) in Pinawa, Manitoba. He became President of AECL Research in 1986 and President and CEO of AECL in 1989. He retired from AECL in 1992 and was for many years a consultant and a Founding Director of Energy Strategists Consultancy Limited in Washington DC.

He served as President of the Pacific Nuclear Council in 1994-96 and President of the American Nuclear Society in 1997-98 being one of only two non-Americans ever to hold that office. He was acclaimed internationally for his work in the nuclear field and in 2010 received the prestigious Global Award from the International Nuclear Societies Council. Stan was also a Fellow of the Canadian Academy of Engineering, the American Nuclear Society, the International Nuclear Engineering Academy, the Canadian Nuclear Society, the Chemical Institute of Canada and the Canadian Society for Chemical Engineering. He was a Professional Engineer of Ontario and held the Ian McRae Award from the Canadian Nuclear Association.

Stan loved to travel and perhaps some of his favourite times were when he, Gladys and Fran set out on journeys together around the world. Stan was also an active member of St. Alban's Anglican Church where he served as warden for several years, was part of the choir and contributed in several other capacities. In 2005 he received the Bishop's Order of Niagara for exceptional service to the Church.

But for all his accomplishments family was always the most important thing to Stan. He loved every member of his family - over 30 children, grandchildren and great grandchildren and his fondest times were camping, canoeing, visiting, playing, working and spending time with each of them.

A funeral service will be held at **St. Alban's Church**, 537 Main Street, Glen Williams on Monday December 8th at 1 pm.

In lieu of flowers, donations can be made to the Canadian Cancer Society or to St. Alban's Church.

GOEBEL, Mary

It is with great sadness that we announce the passing of Mary Goebel on October 27th, 2014 in Vernon, British Columbia. Mary met the love of her life, John Goebel, and they married in 1954. John passed away in January of 2012. Most of their married life was spent in Georgetown Ontario but both John and Mary moved out to British Columbia in 2006. Georgetown however, has always been where both John and Mary have considered home and as per their request, will be their final resting place. For those of you who knew Mary, you know that the arts were a big part of her life. Her participation in Georgetown Little Theatre, her watercolours, artwork, and her love of music are all things that filled her life and others with great pleasure. We will miss her paintings, her singing and her piano playing but the memories will stay with us. Mary is survived by her daughters Julie and Lauren in British Columbia and her son Jeff in Ontario. She is also survived by her much loved granddaughter Mykensis. She will be much missed by her family. In lieu of flowers or donations the family would love to receive any special memories of Mary or anecdotes from her many friends in Georgetown. Please send any responses or condolences to goebelfamily@shaw.ca

In Memoriam

James Malcom Brandford June 28th, 1923 - December 4th, 2011

*We do not need a special day to bring you to our minds
The days we do not think of you are very hard to find
Our hearts still ache with sadness and secret tears still flow
What it meant to lose you, no one will ever know
We hold you close within our hearts and there you will remain
To walk with us throughout our lives, until we meet again.*

Forever in our Hearts...
Loving wife, Reta and Daughters,
Brenda (Brian)
Barb (Dennis)
Betty (Jeff)
and their families...

In loving memory of

Elgin Armstrong

November 26, 1951 - December 6, 2011

*Another year has passed,
But, the memories and love still lasts.
I hear you whisper,
In the tree where you rest,
Being left behind,
has been a test.*

*You're never more than a thought away.
Missed and loved in every way.*

**Till we meet again, Linda, Ken,
Katie, Oakley and Audrey.**
