Dear Santa:
Can we just have a normal Christmas this year? You know, the kind with just enough snow for tobogganing and snowman-making, and just enough cold to make kid's cheeks rosy. You see, Santa, we have a great team of hard-working people here, and last year they pretty much spent all of their Christmas holiday working twenty hours a day restoring power to our customers. We'd like to give them a couple of days off.
Oh, and Santa? No ice. Please?
