

## COMMUNITY

### NHKR holds T-shirt design and slogan contest

North Halton Kitten Rescue (NHKR) wants to give you an opportunity to wear your support, but first they need your help to design it.

NHKR needs a memorable slogan or tagline and a design, picture, drawing or sketch, for the front of the T-shirt. The contest is open to all skill levels. If you have a concept for a slogan and have a doodle for the artwork, send it in!

To enter, submit your idea or ideas to [contest@nhkr.ca](mailto:contest@nhkr.ca). The winner will receive a free T-shirt and a metal art prowling cat, donated by Metalscape, ideal for your garden

or home. Entry is free and is open to everyone except the individuals on the panel of judges.

Submit your idea(s) with your name, address, and telephone. When entry is submitted, you sign all rights to your entry to NHKR for free and you agree that they may use the ideas and designs, however they decide free of any claim. Please, original slogan and designs and no content owned by a third party.

Deadline: Sunday, April 12, 11:49 p.m. The winner will be notified April 30. For full contest rules, go to [www.nhkr.ca](http://www.nhkr.ca).

### Ugly Kitchen or Bath? *Refinishing Saves you Time and Money!*

*In addition to countertop and cupboards... bathtub and tile refinishing can also extend the life of your existing fixtures!*

Miracle Method of Brampton has a solution to help update your kitchen or bathroom without the high cost of renovation! "Why renovate when you can refinish, in just a few days?", says Bruce Edgar, owner.

Not only is refinishing fast, but you'll save up to 50-75% over the cost of replacement. Since surface refinishing doesn't require weeks of messy construction, in just 2-3 days, your kitchen and bathrooms will be beautiful again.

"Our customers can save thousands of dollars and the results are beautiful! We can create an updated new look over your existing surfaces using our Natural Accent® finishes", continues Bruce.

Natural Accents® are available in a wide array of colours and can be applied on laminate, tile, fibreglass, acrylic, Corian® and cultured marble surfaces. Miracle Method can give you a high-end look without the high-end cost.

"Kitchen counter tops are the new WOW factor for homeowners," continues Bruce. "We also spray and refinish cupboard doors and bases and the transformation is simply amazing! We use an HVLP spray system, NOT a paintbrush, and the topcoat lacquer is the same that kitchen

cabinet manufacturers use." Compare refinishing to the cost of replacing or refacing and you'll see that you can save money.

Miracle Method is the largest surface refinishing company in North America & provides residential and commercial services. "As a company, we fix problems at hotels, schools, senior care centres, apartment complexes, universities, colleges and more. We are always ready to help!" Be inspired by the amazing transformations in our photo gallery and explore all the services we have to offer by going to our local website at: [miraclemethod.com/brampton](http://miraclemethod.com/brampton)
