

Acton's Active Living Centre to hold AGM on March 31

By Julie Conroy

Hillsview Active Living Centre- Acton

Tuesday, March 24 at 9:30 a.m. is the men's third breakfast meeting.

"Spring Fling" is the monthly topic for the Coffee, Books and Computers afternoon on March 24, 2-3 p.m.

One very important date is Tuesday, March 31 at 1 p.m. when we hold our AGM in the main hall. We currently have almost 300 members and it would be great to see the membership well represented. We have several vacant positions on the Board. If you are interested in tak-

ing a more active role at the Centre please talk to any staff member. Proxy votes are available at the reception desk if you are unable to attend.

Thinking of volunteering, would you like to assist seniors and help them with information and services that are available in their community and throughout Halton? You can learn more at an information session on Monday, March 23, 1:30-2:30 p.m. at the Hillsview Active Living Centre Georgetown. Call Heather at 1-855-395-8807 or email at hthompson@cd-halton.ca for details. There is volunteer education and training provided once a week for eight weeks starting April 23.

The Centre will be closed on Friday, April 3 and Monday, April 6 for Easter.

Lunch on Friday, March 27 will be salad, pasta and garlic bread.

Notice of Public Information Open House

Peel-Caledon Land Evaluation and Area Review (LEAR) Study

You are invited to the Peel-Caledon Land Evaluation and Area Review (LEAR) Public Information Open House where you will receive information and have the opportunity to provide comments on the LEAR study.

The LEAR Study is being carried out jointly by the Region of Peel and Town of Caledon for the purpose of identifying Prime Agricultural Areas in the Town of Caledon. LEAR is a technical assessment which, in addition to the Canada Land Inventory (CLI) for soils, allows other factors to be considered in identifying Prime Agricultural Areas. The recommendations from this LEAR study will be used for the mapping of Prime Agricultural Areas in the Region and Town's Official Plans.

The Public Information Open House will be held:

Date: April 07, 2015

Time: 7:00 p.m. – 9:00 p.m. (with presentations at 7:30 p.m.)

Place: Caledon Country Club,
2121 Olde Baseline Road, Caledon, ON L7C 0K7

The Open House will include presentations by the Project consultant and Regional staff on the work undertaken to date. Information on the results of the study and all associated mapping will be available for review at the Open House. The consultant, Regional and Town staff will be available to answer questions, review background information and receive public comments. Public comments received by May 8, 2015 will be considered in the finalization of the LEAR study report.

Information on the LEAR including comments received at this Open House will be posted for review on the Region of Peel webpage:
