Police warn Facebook users to screen Friend requests

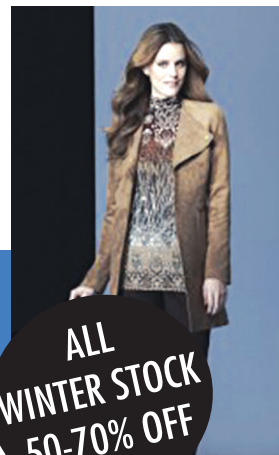

Halton Police are urging Facebook users to be cautious when accepting new friend requests from persons they don't know.

There have been several recent reports of Facebook users accepting friend requests from persons of the opposite gender. The new friend will then engage in online conversation with a goal of moving the conversation to a video chat using Skype.

Once on Skype, the new friend will engage the user in conversation of a sexual nature and ultimately have the user display themselves nude which the new friend re-

ords without the users' knowledge. The recording will then be used to extort money from the Facebook user as the new friend will threaten to post it on all of the users friends' accounts and on YouTube unless the user pays them a sum of money.

Anyone who has encountered this scenario is encouraged to report it to your local police AND the Canadian Anti-Fraud Centre by phone at 1-888-495-8501, fax at 1-888-654-9426 or online at <http://www.antifraudcentre-centreantifraude.ca/english/reportit-howtoreportfraud.html>
