The Halton Healthcare Services Board of Directors

Halton Healthcare Services (HHS) is a leading multi-site healthcare organization with an outstanding record of performance, fiscal accountability and, most importantly, safe quality patient care.

The organization's three community hospitals are integral to the health and wellness of their communities and resolute about delivering excellent patient-centred care through fiscal accountability and efficient, safe, high quality services.

To ensure a healthy future and meet the needs of the growing population, HHS has almost completed a new, state-of-the-art hospital in Oakville opening in December 2015; Georgetown Hospital has undergone a significant expansion to its Emergency and Diagnostic Imaging Departments and is proceeding with future expansions; and, Milton District Hospital is in the midst of a major expansion that will triple the size of the facility by 2017.

HHS has an excellent Board of Directors and, together with our physicians and leaders, serves the unique health needs of our diverse communities.

If you have the commitment and passion for healthcare, we have a Board position opening. To complement the current Board skill mix, we require a highly successful senior executive who resides or works in the Regional Municipality of

Halton or Peel and who has demonstrated an awareness of the specific issues and concerns facing these rapidly expanding communities.

In addition, you also bring the following desirable skills in one or more of these areas:

- Health System Policy, Transformation and Funding Models
- Healthcare Technology and System Change
- Human Resource Strategies
- Not-for-profit or corporate board experience, ideally with formal governance training
- Understanding of LHINs and Ministry of Health
- Executing major capital projects

With three major capital projects running concurrently, and the exciting emphasis on system change and integration, there has never been a more exciting time to serve our communities by considering an opportunity with the HHS Board of Directors. For further information we invite you to look at the HHS website at www.haltonhealthcare.com.

To submit your expression of interest or confidentially explore this opportunity, please email a letter of interest to Judy Mandelman, at Promeus Inc at: resumes@promeus.ca.
