NOISY DOMESTIC ANIMALS

Persistent or repetitive barking, whining, or other similar persistent Noise-making of any domestic pet is a violation of the Town's Noise By-law 2010-0030, which makes it an offence to permit your dog from disturbing the neighbors.

DOMESTIC ANIMAL ATTACKS OR BITES

The *Dog Owner's Liability Act* states a proceeding may be commenced if it is alleged the Owner of a dog did not exercise reasonable precautions to prevent the dog from biting or attacking a person or domestic animal or behaving in a manner that poses a menace to the safety of persons or domestic animals.

In January, Amanda Sullivan, a Grade 5 George Kennedy student, began her quest to raise \$1,000 for a charity committed to helping people who are homeless. She decided on the Halton Women's Place, a community organization which provides "a safe haven, information, services and education to support a future without abuse for women and children." Over a three-month period Amanda diligently made finger knitted hats for supporters of her project. She raised just over \$1,200 exceeding her goal of \$1,000. Recently, Amanda handed over the cheque to Kaitlin Gordon, Development Coordinator at Halton Women's Place.
