Ginny to set the stage at Chamber's home show

Spring is finally here and with it comes a fresh attitude, sunny perspective and determination to clean and declutter. Why not take a break from going through your closets and clearing your garden debris by attending the Halton Hills Health Home & Happiness Show on Friday, April 17 and Saturday, April 18.

Among the featured guests is Ginny Truyens, owner and lead staging consultant at Feels Like Home 2 Me, a locally-owned award-winning professional home staging company.

Truyens's love of home styling began when she was seven with a passion for selecting furniture and decorative accessories to create rooms. She now enjoys the opportunity to help home sellers, investors and real estate professionals maximize sales. Learn valuable staging tips and strategies from Truyens on stage Saturday, April 18.

The Directors of the Georgetown Bread Basket want to send out a Big Thank-You to the community for their overwhelming generous response to support the food bank over this past year.

Local support from individuals, churches, schools, major area corporations, local businesses, community groups, clubs and associations were key to our ability to provide food to those in need in our community over the past year.

There have been many small and large events held in the past year where our community have shown fantastic support to the Georgetown Bread Basket.

In addition to food and monetary donations, it would not be possible without the contribution of time and effort put forth by our many wonderful volunteers. There are many activities that go on behind the scenes on a daily basis by these volunteers to make sure that we can provide food to those in need in our community.

We would also like to recognize and thank our local grocery stores (Food Basics, FreshCo, Metro, Superstore, and Walmart) who allow us to pick up your donations bi-weekly from the GBB food donation bins throughout the year, which is our main source of food.

Sincerely
 The Board of Directors
