Red Door Gallery opens abstract art show

Red Door Gallery's new show, Randall Brandford Art (April 9-26), features large abstract paintings by local artist Randall Brandford.

The bold canvases are colourful and textured, and incorporate acrylic and metallic paints, oxidized metals and beautiful metal leaf. This gives light and energy to Brandford's work that attracts and holds the viewer's attention. Each painting has a tell-tale structure and symmetry which gives away Brandford's discipline as an interior designer.

"I work with clients to design a room, and

to place works of art within it, whether new commissioned art or their own pieces," says Brandford.

His paintings and interior design schemes are enjoyed in private collections and homes in major cities across Canada and the United States.

Meet Brandford at an Opening Reception on Saturday, April 11, 1-5 p.m.

The show continues until April 26. The Red Door Gallery is located at 127 Mill St. in downtown Georgetown. Gallery hours are Thursday-Sunday, 12 noon to 5 p.m. Info: www.reddoorgallery.ca, 289-891-6407.
