## PROTECT YOUR PET

With the arrival of spring we are all happy to spend more time outdoors. However with that comes ticks and fleas and soon mosquitoes too.

Call us today to set up an appointment to have your dog's heartworm test done and we can discuss the prevention that is best suited for the needs of your pet. Although there is reduced risk for household cats to be exposed to heartworm disease, they do need flea protection!

- ♥ Preventative Medicine
- ♥ Wellness and Senior Programs
- ♥ Mobile/House Calls
