Continued from page 30

Over four years ago Andrea began working with a local Georgetown recording studio (HannahKin Studio) to be able to get her music recorded and heard. In 2012, Andrea released her first EP "Luna" which features a collection of songs recorded between 2011-2012. Following her Luna EP, Andrea began to dabble with different and bigger sounds. Although she performs predominantly as an acoustic artist, her new EP Steady Sun released on July 5, 2014 features a fuller sound with many instruments.
